

Certificate of Registration

A 4067-33-139

Certificate Number: **33-139b**

This Certificate is issued to the facility:

**Huge L Steel Inc.
123 Hwy 39
Drinkwater, SK**

for the leak test and inspection of Intermediate Bulk Containers (IBC) in accordance with the procedures on file under the registration number 33-139.

An IBC that has been successfully leak tested and inspected will bear the mark

R / mm yy / 33-139

where "mm" is replaced by the month and "yy" is replaced by the last two digits of the year of the leak test and inspection,

in accordance with Appendix C of standard CAN/CGSB-43.146-2002 "*Design, Manufacture and Use of Intermediate Bulk Containers for the Transportation of Dangerous Goods*".

Limitations: Metallic IBCs only

Signature:

Joanne St-Onge, Director
Regulatory Affairs Branch
Transport Dangerous Goods Directorate

Date of Issue: **15 August 2012**

Date of Expiry: **15 August 2015**
